

## **Development-Related Postgraduate Courses (EPOS) | DAAD**

The DAAD EPOS Scholarship Programme (Development-Related Postgraduate Courses) is now open for applications for the 2025 intake.

This prestigious scholarship supports professionals from developing countries in pursuing fully funded Master's and PhD degrees in key development fields, preparing them for leadership roles in government, NGOs, and the private sector.

German Academic Exchange Service

## DAAD EPOS Scholarship Programme

### Development Related Postgraduate Courses

The German Academic Exchange Service offers funding for selected Master's and PhD courses designed to train young, academically educated professionals from developing countries for leading positions in government, administration and NGOs as well as in the corporate sector.

At present, courses are offered in the following fields:

- Economics, business administration, political economics
- Development cooperation
- Engineering and related sciences
- Regional and urban planning
- Agricultural and forestry sciences
- Natural and environmental sciences
- Medicine and public health
- Social sciences, education, and law
- Media studies

Applications are welcomed from professionals with a first academic degree (16 years of education for Master and 18 years of education for PhD) preferably not older than six years and at least two years of relevant professional experience.

Note: Applications must be sent only to the respective course directly!

Detailed information on the programme and the requirements, can be found in the following link:
