

CANADA'S SDS PROGRAM - AWARENESS ON VISA APPLICATION PROCESS

The Student Direct Stream (SDS) is an **expedited study permit processing program** for those who are applying to study in Canada at a post-secondary designated learning institution (DLI).

In order to facilitate Pakistani students for getting study visa for Canada, Pakistan was included in the Canada's Student Direct Stream (SDS) Program in 2019. However, problems have been faced by the Pakistani students in the past in getting study visas. To overcome this issue, Canadian authorities via Ministry of Foreign Affairs have proposed to raise awareness among prospective students aspiring to study in Canada to apply for visa using Canada's SDS program. Through SDS visas can be processed much faster.

All interested/ desirous students are requested to please visit the following website for further information.
