

TEACH FOR PAKISTAN CAMPUS LEADER '24

Teach For Pakistan's Campus Leader (CL) program embodies core belief that the development of our future leaders will ultimately shape our own future; the future of Pakistan. This six-month experience is a unique opportunity for students to join the Teach For Pakistan movement for educational equity so that one day, all of Pakistan's children have an education that enables them to be loving, thinking, and engaged citizens.

CLs play a vital role in mobilizing their peers, and raising awareness, by igniting their passion and dedication. Teach For Pakistan's Campus Leaders not only develop their own leadership skills but are ensuring that Pakistan's most outstanding talent is taking charge of this country's pressing issue; education inequity.

Become a Teach For Pakistan CAMPUS LEADER

The Campus Leader program is a six-month opportunity for university students to develop leadership and problem solving skills, critical thinking, and run an education advocacy campaign.

**Campus Leader program is only available for select universities.*
