

USEFP Virtual Fulbright Outreach 2021

U.S. Educational Foundation in Pakistan is going to conduct **virtual Fulbright Orientation Session**, followed by a **virtual Graduate Record Exam (GRE) Workshop** at universities under the Test Prep initiative for the Fulbright Degree Program.

The sessions are to apprise eligible students of the Fulbright Degree Program (Poster is attached) application process, requirements, and scholarship benefits. As GRE score, along with other documents, is a prerequisite for the completed application submission; therefore, a workshop on GRE will help students in their preparation.

Graduating class – students who will be graduating in 2021 or already have graduated with a bachelor's (16 years of education) or master's/MPhil (18 years of education) are encourage to attend the session in order to make them enable to apply for the upcoming Fulbright Application Cycle to pursue master's or a PhD in the USA. Details of Test Prep schedule is given below:-

Fulbright Orientation: 15 March, 2021 (3:00 pm – 5:00 pm)

GRE Workshop : 26 March, 2021 (3:00 pm – 4:30 pm)

All depts are requested to kindly disseminate the information to their prospective students. All interested students are requested to kindly register themselves by sharing their details (**Name, Program, Dept, Email, Contact no**) directly with the PRSA Centre for registration of the subj program. **The students may register themselves latest by 11 March 2021 (Thursday) till 1300 hrs.** The link of the virtual session will only be shared with the registered students.
