

# NATIONAL DEFENCE UNIVERSITY QUALITY ENHANCEMENT CELL

## HEC Faculty Course Review Survey (To be filled by each Faculty at the end of Semester)

1) As per the “ <b>Student Course Evaluation report</b> ”, please comment the “ <b>evaluation process</b> ” for your course
2) Which new topics you suggest may be covered in this course?
3) Please comment how current course curriculum is suitable, to achieve intended learning outcomes (course objectives), vis-a-vis HEC Approved National Curriculum Guidelines.
4) Comment on the continuing effectiveness of assessment methods (quiz, midterm, and assignment etc.) in relation to the intended course learning outcomes.
5) Do you suggest any other suitable technique to make students understand the core concepts of the subject area or make it more interesting?
6) Outline any changes in the future delivery or structure of the course that this semester/term’s experience may prompt.
7) Please comment any other change you want or academic improvement in your course or teaching methods.
