

CENTRE OF EXCELLENCE (CoE) ON CPEC

Centre of Excellence on CPEC has been established as a think tank to promote the purposes of CPEC through focused research and policy briefs. It publishes CPEC Quarterly, which includes updates and analysis on CPEC-related areas, besides holding conferences, seminars and round-tables to formulate recommendations for policy making government departments. The Centre wishes to share its research with the universities to enhance awareness about this mega initiative and encourage researchers to contribute to its publications. Visit <https://cpec-centre.pk/> for updates and researches.

For Any query/ info, please contact PR&SA Cen.
