

INFORMATION ON INFRASTRUCTURE MANAGEMENT PROGRAM | YOKOHAMA NATIONAL UNIVERSITY UNDER JJWBGSP

The Joint Japan World Bank Graduate Scholarship Program is offering scholarships to students of developing countries who possess the relevant professional experience and academic qualification. Selected applicants will be placed in one of the 27 universities of the U.S. Europe, Africa, Oceania and Japan in key areas of development including economic policy management, tax policy and infrastructure management. JJWBGSP has invited nominations for the subject program. For further details visit this link: <https://www.urban.ynu.ac.jp/english/all-english-program/imp/application-guideline.html>

Application Deadline: **10th March, 2024**

Since 1995 YOKOHAMA National University (YNU) has been providing prominent mid-career engineering professionals with chances to study infrastructure management under its inter-faculty Master's Degree Program in Infrastructure Management (IMP) by Japanese Government and administered by the World Bank.
