

National Defense University Islamabad

FCS - Department of Strategic Studies

Admission/Entry Test – M. Phil (Fall 2023)

Note: Please attempt only TWO questions out of given three. Each question carries equal marks.

1. Explain the concept of security and differentiate between the traditional non-traditional concepts of security.
2. “Great powers draw upon large and diversified portfolios of capabilities and practices when competing with each other”. Keeping the statement in view, explain the key role of military and economic capabilities in the US-China rivalry.
3. What are the emerging challenges to nuclear-deterrence and strategic stability in South Asia?
